Semiahmoo House Society is a non-profit organization, located in Surrey/White Rock, which exists to provide quality services and support for people with disabilities and their families in the community. Our Society has been serving our community since 1957 and we are well recognized and respected by our peers for our innovative work with the disabled.

The proceeds from this fabulous fundraiser will benefit the Society's Recreation/Leisure and Youth Program, which is a much needed community program that provides specialized activities for youth/teens and adults with disabilities. It is designed to ensure that '*everyone*' has the opportunity to live their life to the fullest, are accepted and valued as full citizens, and that they experience the same activities in daily life as their non-handicapped peers.

Our goal is to partner with businesses who share our vision for a better and healthier community. Your support through sponsorship, exhibitor participation or in-kind donations will help us reach this goal, fulfill our mission and build a strong, caring and inclusive community. By partnering and working together we can make a difference.

Please take a few minutes to review this package in order to determine which participation level might best suit your company's interests.

Thank you for your consideration and we hope to see you on May 34/2014!

Sincerely,
THE SEMIAHMOO FOUNDATION
